

Free

words and music by Holly Alejo and Ricky Rodriguez

I try to find the words to say, what You have brought me through
You've opened doors and so much more, to a world I never knew
Redemption makes my soul complete, You've filled my heart with love
I'll dance and sing for the joy you bring, the blessings from above
When the Son sets you free, you are free indeed
When the Son sets you free

We are free to dance, free to sing, free to be what God wants us to be
And no matter what this life may bring
I can do anything, 'cause I'm free, Yeah

Your love is unconditional, You're always there for me
I give to You all I am and ever hope to be
Your love has made me love You and want to serve You more
I'll shout about the freedom in Jesus Christ my Lord

I'm free to dance, free to sing, free to be what God wants me to be
And no matter what this life may bring
I can do anything, 'cause I'm free
Yes, I'm free, Yeah

One In The Same

words and music by Holly Alejo and Ricky Rodriguez

The One who walked on the water, who made blinded eyes to see.
The One who laid in a manger, You're everything to me.
The One who lit up the darkness, and filled earth and sky and sea.
The One who spoke through the fire, You're everything to me.

The One who's mighty in battle, who set's the captives free.
The One who gives us the power, You're everything to me.
The One who gave up His own life, who took on Calvary.
The One who's reigning in Heaven, You're coming back for me!

You're one in the same, one in the same.
The One who was, and is and is to come.
One in the same, one in the same.
We give You glory in this place, and to You our lives we raise.
Lord, we honor You today, one in the same.

Father, Spirit, Son
Over death you won
And by Your blood we have been redeemed.
So we stand and sing, to our reigning King
Forever, we Your children, we will say,

We Worship You

words and music by Holly Alejo, Daniel Kondas and Ricky Rodriguez

In You we live and receive all Your goodness and mercy.
We give up the things that this world, has to offer.
To You I give my being, to you I give my sacrifice of praise.

We lift our voice and we lift our hands, we give You everything,
You are the great I AM.
And all our hearts are prepared for Your glory, we worship You.
We worship You with a mighty praise,
We glorify Your name above all names.
Lord, You are good and we want You to know, we worship You.

Gift Of Love

words and music by Amanda Fergusson

Son of God took on human form,
Heaven's gaze was fixed on a child
Holy One smeared by jealous lies and scorn,
And I am overwhelmed,
And all that I can say is

Thank You for the gift You gave,
Giving what no other could,
Thank You for the gift You gave,
For the radical gift of love.

Son of God nailed upon a cross,
Tender heart was broken for my sin.
Loving face marked with blood and tears and dust,
And I am overwhelmed
And all that I can say is

Thank You for the price You paid,
Paying what no other could,
Thank You for the price You paid,
for the terrible cost of love.

Son of God triumphant from the grave,
Death defeated, hope beyond despair.
Reigning now in righteousness and peace,
And I am overwhelmed,
And all that I can say is

Thank You for Your power to save
Saving where no other could.
Thank You for Your Power to save,
The conquering power of Love.

Smile

words and music by Holly Alejo and Ricky Rodriguez

The mountains rise to praise You, the trees stand for the King
The earth and all it's splendor, in strength and majesty
But I stand here undeserving, of the love You give to me
Take my life of broken pieces, Lord I want to be

The smile on Your face, a sparkle in Your eye
The beating of Your heart, Lord help me learn to fly
Over struggles that surround me
Give me strength each day brand new
Show me what to do, Lord I'll follow You
I just want to see you smile.

This life of foolish pleasure, the days we spend in vain
Then I think of how You love me,
and it takes my breath away
So I stand here undeserving, of the blood You shed for me
Take my life of broken pieces, Lord I want to be

You take me higher, on the wings of Your love
And when I fail You, You never give up
I hear You calling, drawing me to You
Lord I want to be

That Man

words and music by Holly Alejo and Ricky Rodriguez

She slammed the front door shut, she'd all but given up
She was tired of the way he made her feel
Nothing she ever did was ever good enough
Was there a man in this world, who knew how to treat a girl?

She wanted a man to take her dancing
She wanted a man to hold her tight
She wanted a man who would say he would wipe the tears away.
A man to love her with all his might
Where is that man?

She walked barefoot through the grass, on that summer night
Remembering when she was a child
The games she would play, finding "Mr. Right"
Even back then she knew, what true love ought to do

Then as she got down on her knees, she felt the wind blow through the trees
And she knew, she was not alone
She wiped the tears away, not knowing what to say
She felt His arms hold her tight
She knew He loved her more than words could say
How could she ever forget, the man who died so she could live?

Yeah
That man made her feel like dancing
His nail-pierced hands, they held her tight
And whenever she prayed, He would wipe her tears away
She knew He loved her with all His might
He is that man
Yeah, Jesus is that man

Strong Enough

words and music by Holly Alejo and Ricky Rodriguez

When I come to You, You never let me go
When I need Your truth, You always let me know
And Your love, is all I'll ever need
And Your grace, will always set me free

Your love is higher than the highest mountain
Your love is deeper than the sea
Your love will never let my soul be shaken
Your love is strong enough for me

Oh Lord hear my cry, please keep me in Your way
Let my mouth be filled, with overflowing praise
And Your love, is all I'll ever need
And Your grace, will always set me free

You Are Still Holy

words and music by Rita Springer

Holy, You are still holy
Even when the darkness surrounds my life
Sovereign, You are still sovereign
Even when confusion has blinded my eyes

Lord, I don't deserve Your kind affection
When my unbelief has kept me from Your touch
I want my life to be a pure reflection
Of Your love

And so I come into Your chamber
And I dance at Your feet, Lord
You are my Saviour
And I'm at Your mercy
All that has been in my life
Up 'til now
It belongs to You
You are still holy

Holy, You are still holy
Even though I don't understand Your ways
Sovereign, You will be sovereign
Even when my circumstances don't change

Lord, I don't deserve your tender patience
When my unbelief has kept me from Your truth
I want my life to be a sweet devotion
To You

And so I come into Your chamber
And I dance at Your feet, Lord
You are my Saviour
And I'm at Your mercy
All that has been in my life
Up 'til now
It belongs to You
I belong to You

You are still Holy

I'll Never Be the Same

words and music by Holly Alejo and Camille Carswell

From the start, You knew my heart, but I didn't know how to let You in
Then I came, my life, a shame, but You let the peace begin

And I'll never be the same, I'll never be the same
In my life You came
I'll never be the same, never be the same
In my life, You came
Jesus, I'll never, never be the same

Now I'm free and I want to be, beside You Jesus, constantly
I'll praise Your name, stand and proclaim, Use me Lord, I am Yours

This love I have for You
It cannot equal to
The love you showed for me on Calvary
This love I have for You
It cannot equal to
The love You showed for me on Calvary

The Bridegroom is Coming

words and music by Camille Carswell

Tiny stitches in a garment, so much care for just one day
She's preparing for her wedding, but does not know the day
When the bridegroom will come for her
To carry her away
He is building a home for them
When it's done she'll hear them say

The bridegroom is coming, He might be on His way
Preparing His entrance, the crowd will move away
Look for a sign, listen for a sound
The bridegroom is coming
To a new home she'll be bound

In the same way, we are waiting, for our wedding day
When Jesus comes for us, to carry us away
In rapturous glory, we'll soar to heights unknown
He is building a place for us
When it's done He'll call us home

Precious loved ones in a graveyard, those we've lost along the way
Will rise up to meet Him, for their wedding day
In resurrection power, their dust will rise and sing,
"All glory and honor to Christ the Bridegroom King!"

The Bridegroom is coming, He might be on His way
Preparing His entrance, the clouds will roll away
Look for a sign, listen for a sound
The Bridegroom is coming, to a new home we'll be bound
Look for a sign, listen for a sound
The bridegroom is coming, to a new home we'll be bound.

The Blood Will Never Lose It's Power

words and music by Andrae Crouch

The blood that Jesus shed for me
Way back on Calvary
The blood that gives me strength
From day to day
It will never lose it's power

It reaches to the highest mountain
And it flows to the lowest valley
The blood that gives me strength
From day to day
It will never lose it's power

It soothes my doubts and calms my fears
And it dries all my tears
The blood that gives me strength
From day to day
It will never lose it's power
